Focused. Experienced. Committed.

PEER ADVISORY GROUPS

Presidents, Owners & CEO's

Peer Advisory Groups are professional business roundtables consisting of small business Presidents, Owners, and CEO's from the Minneapolis area. Each group consists of 8 to 12 members from non-competing companies.

The purpose of each group is to provide a forum for exchange of information, ideas, insights, and perspectives. All meetings are completely confidential which provides a secure environment for open discussions about concerns, problems and opportunities a member may be facing.

The value of doing and attending MBM's monthly meetings is to learn from one another's experiences through a facilitated roundtable

conversation. You benefit by learning from each other's achievements and mistakes.

The groups are led by highly qualified facilitators who achieved success in their own small businesses and know what it's like to lead at the top. Additionally, guest speakers and subject matter experts will provide insight and thought-provoking ideas you can use.

- ▶ Meetings are held monthly
- ▶ Non-competing businesses
- ▶ Expert meeting facilitation
- ▶ Fee: \$62.⁵⁰/month
